TOPPING IT OFF

The yearbook staff has chosen *TOPPING IT OFF* as this year's theme. Both Mr. Lee and Mr. Brown don new hats with new responsibilities. The Seniors are topping off their 12 years of school, and the Juniors lead the other classes making their way to the top. All activities at Vancleave High School are topped off with the yearbook.

Vancleave as a town is tops because of its growth. Vancleave recently got its own post office, a new service station, a dress shop, and among other businesses, a pizza parlor. Finally, the annual staff picked this theme because we're proud of our school and our community, and we would shout it from a mountain top.

Spirit Week Can't Be Topped

Hats, ties and sunglasses on Monday added pizzaz to Spirit Week. Next was Toga Day with students wrapped in anything from Snoopy to Pacman. Wednesday, Twins Day, The Studney Twins were the most popular pair. On Fifties Day the halls were filled with poodle skirts and bobby socks, rolled up jeans and penny loafers. Friday topped off the week with Blue and White Day. Spirit Week, which led up to the homecoming game, was one way the student body could show that they supported and loved their "Dawgs."

Homecoming Parade Is

The '87-'88 Homecoming Parade went well, but not without problems. The Sophomore float broke down and held up the parade, the Seniors' radio blew a fuse, plus the minds of the Senior float riders when they realized they had no music, and Staci Weston hurt for a few days after she was "Flushed" from

the Sophomore float.

Some of the floats in the parade took about a week to build while others took about three hours, but they were all original. The Seniors won the float contest with the theme "Eat 'Em Up, Dogs." The Juniors' theme was "Knock 'Em Out," the Sophomore theme was "Flush the Tigers"

and the Freshman theme was "Sail to Victory."

Other floats were the FFA float and the so-called "Who's Bad?" float. The Homecoming maids, as well as Mr. and Miss VMS and Miss VHS rode in fancy convertibles or T-tops. Horses, three wheelers and sunny weather helped make a truly **top-notched parade**.

► The Seniors are floating on top. John Dye and Todd Ladnier helped lead the way by drawing the tiger on the box.

▼ Princess Kim Thames and Prince Hunter Henley await the start of the parade. Kim and Hunter were elected by the second grade classes to be the Prince and Princess.

Both Kim and Hunter are in Mrs. Martha Thomas's homeroom class. (Bottom Right) The Junior float attempted to Knock Out the competition. Kristen Shirley and Scott Holden have the Tigers down.

Hats Off to Drenda

Homecoming Queen's Identity Is Revealed at Halftime

After the maids from each class were escorted onto the field at halftime, the name of the queen was announced. **Drenda Fairley** is the seventeen year old daughter of Brill and Edith Fairley of Vancleave. She was president of her Freshman Class and was voted 12th Grade Favorite in Who's Who this year. She enjoys swimming, skiing, being with friends and going out. Her future plans include going to college.

(Above Right) Last year's Homecoming Queen, Michelle Vincent, places the crown atop the head of this year's queen. Drenda holds one of the nosegay bouquets that the Student Council provided for all of the maids.

Joining Drenda in the festivities are the prince and princess, the VHS principal Charles Brown, Drenda's father, and Michelle Vincent. The Student Council honored the Queen with one dozen long-stemmed roses, and the Bay High cheerleaders also presented her with a dozen roses.

She also enjoys mud riding, talking on the telephone, and going out with friends.

In the future Randy plans to attend college and become a Computer Technician.

The Who's Who Finalists traveled to Biloxi on September 29, to take photos in Edgewater Mall. The diverse backgrounds for the photographs at the mall helped focus in on the theme of the yearbook. Everyone wanted something different for lunch, so what was a better place to eat than the Food Festival?

SENIORS & CLASSES

Being a senior is an important time in our lives. It is a time that represents accomplishment and achievement, yet a time to look toward the future. We're now beginning to realize that this is our last year before we must make decisions about our future that will affect the rest of our lives, but we can never forget the friendships and memories we've experienced here at Vancleave High School.

The feeling of being a senior can be compared to the feeling one gets near the end of a date. You reflect on the night and the way in which you want it to end, just as we as seniors reflect on these years, and how we want this year, this senior year, to be the best.

Hats Off for a Hail and Farewell

Banquets flavored with hugs, laughter, and tears honored dedication, long-time employees leaving VHS in 1987. Mr. Ray Freeman took advantage of a chance to return home to Bruce, MS. He passed his hat to Mr. Billy Lee, seated beside his wife and Mrs. and Mr. Smithie.

▲ The Topping on the cake tattles on **Marguerite Mallette**, who is retiring after 37 years of teaching.
 ► Mrs. Mallette and Mrs. Goff plan their getaway. Seated beside Marguerite is her husband, Marland Mallette, Superintendent of Jackson Co. Schools from 1965-79.
 ► (Center) Mr. Freeman and Mr. Pritchett reminisce.

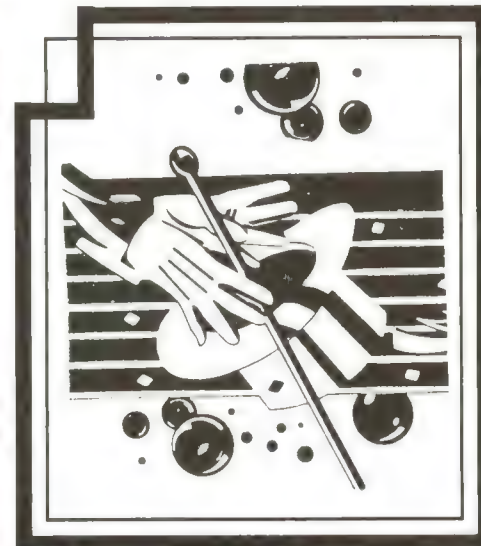

► The Good Humor Person! Everyone will miss the good times that "Mutt" brought around, especially Mrs. Harrington, who gives her a good-bye happy.
 ▼ It was **Jeanne Goff's** farewell party, too. She scooted over to St. Martin after being VHS Secretary for 7 years.

► J. Treloar wishes **Lulu Moore** would stay at VHS Cafeteria. She retired after 25 years of food service at Vancleave. Her co-workers are happy to have had the pleasure of working with Mrs. Moore.

9th Grade Football Team Lays the Foundation

The 1987 9th Grade Football Team finished the season with 3 wins and 4 losses. This is the first year Vancleave has had a 9th Grade Team in several years. We started the year with about 22 players and ended with 16 players.

Coach Robert McRaney stated, "This group of young men really worked hard and I feel like they improved from week to week." The coaches' goal was to lay the foundation for the players entering high school football, as well as give them the playing time and experience they need to help improve the program at VHS.

This season the team had a 2-4 record. One of the best things about this year was that a lot of seventh graders got a chance to play. The eighth graders will be missed next year, but the team should do better with the experience gained from this year.

Jackson County Board of Supervisors . . .

Jackson County Builds For The Future

Education and young people are big priorities in Jackson County where we are committed to offering not only the best in educational opportunities, but the highest quality of life.

In the past year alone, county leadership has recorded many accomplishments aimed at insuring a better future for our young people.

To mention just a few . . .

The Fort Bayou Bridge is a major transportation improvement in West Jackson County. Sunplex, a light industrial park, offers attractive sites for light, high-tech and service industry prospects.

The new county library headquarters in Pascagoula is being equipped with the most up-to-date information technology with instant access to libraries in East Central, Vancleave, St. Martin, Moss Point, Gautier, Ocean Springs and Lucedale.

We want our young people to be proud of Jackson County and we are proud of our young people — our greatest resource.

*Only one class ring can really fit you.
And Campus Supply has it.*

Your class ring should be as unique and special as you are. And it can be, when it's from Balfour. Because **you** choose the style, the stone, the decoration, the engraving—to create a class ring that is yours alone. Your own personal class ring from Balfour. No other can express who you are so exactly. Or help you recall those special times so clearly.

Togetherhness

Death is nothing at all, I have only slipped away into the next room. Whatever we were to each other, we still are. Call me by my old familiar name. Speak to me in the same easy way you always have. Laugh as we always laughed at the little jokes we enjoyed together. Play, smile, think of me, pray for me.

Life means all that it ever meant. It

is the same as it always was. There is absolute unbroken continuity. Why should I be out of your mind because I am out of your sight? I am but waiting for you, for an interval, somewhere very near, just around the corner.

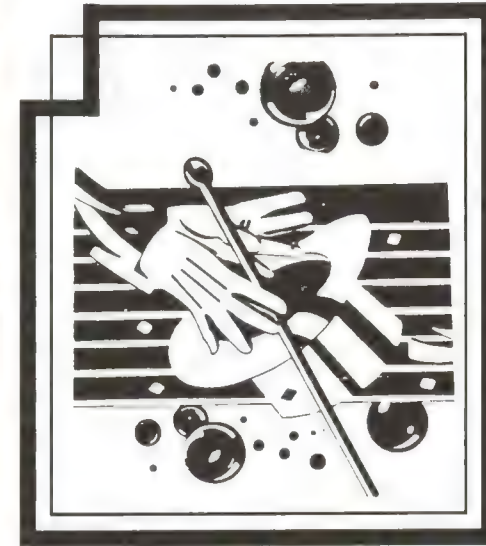

All is well. Nothing is past. Nothing has been lost. One brief moment and all will be as it was before . . . only better. Infinitely happier. We will be one, together forever.

Jacqueline Lee Moore
(1979-1987)

"No happy time that passes
is ever really gone,
If it leaves a happy memory
For looking back upon."

CLOSING

This Could Be the Night

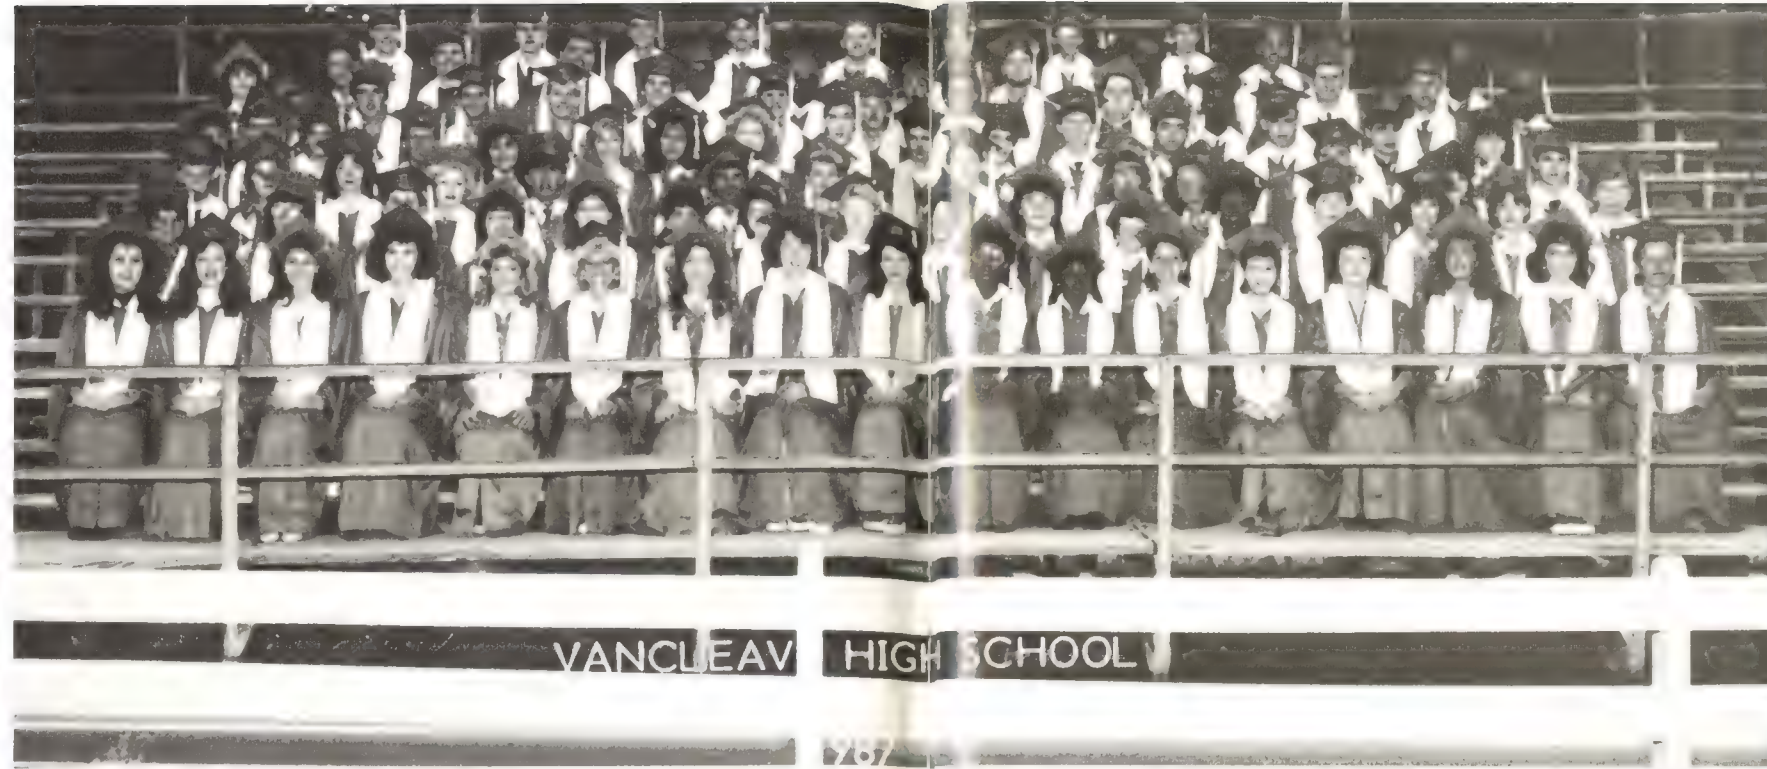

The 1987 Junior-Senior Prom was held Saturday, March 28 at the Biloxi Community Center. Marie Buxton and Camilia Jackson laugh as they recall past school days. Jennifer, Kristy, and MaShawn decorated all day and partied all night.

Seniors Throw Their Hats in the Ring!

Seniors threw their hats into the ring of jobs, careers, and higher education as they graduated May 28, 1987. (Below) The Seniors lined up for the ceremony on the football field in Vancleave.

Something Different

Many changes were made at VHS this year, beginning with a dieter's delight — the new Salad Bar. Stephanie Martin and June Reddix are pleased with the selection. Elections of class officers were by secret

ballot. Students campaigned; then the Student Council manned the voting boxes. At Center, Chris Shelton and Byron Towles sit near the school marquee left by the class of 1987 in memory of Suzy Noble.

Snow added a frosty touch to the school year. School was dismissed at 2 p.m. because of icy road conditions, giving everyone a chance to enjoy being "snowbound." Many people decorated their yards with snowmen, as did Sorja and Yedda Burt and Stewart and Lisa Bosarge. Others, like the Maggards, enjoyed just playing in the snow.

The PE classes took on a uniform look with their new gym suits, adding a touch of style to their class. (Front) Misty Davis, Tracy Collins, Melissa Vincent, Julie Bond, and Jill Dees. Row 2 — Francois Toche, Raymond Ward, Ben Ellis, Michael Orr, Greg Buchanan, Kevin McLain, and Mark Bond. Row 3

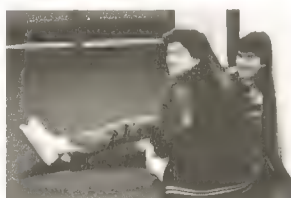

— Mike Batia, Rusty Stockman, Tommy Zeigler, Sonny Mattingly, and David Stone. One of the rule changes concerned the delivery of flowers and balloons. On Valentine's Day the bouquets and gifts piled up until 2 p.m., when the students are allowed to pick up their gifts.

ISS (In-School Suspension) was part of a new assertive discipline plan put into effect to deter students who do not obey the rules. Tony seems to have had enough ISS. Large billboard displays went up in the halls to advertise products. The posters are changed monthly. Lisa Fountain has noticed that this month's ad goes with the yearbook theme.

Collecting large amounts of ABC gum was the punishment for chewing gum (and getting caught). A few of the culprits are Drenda Fairley, Brandy Overstreet, Julie Bond, Amy McCall, Julie Chester, Cissy Foster, and Dawn Holland.

As the sun tops the horizon, a typical school day begins. After stepping off the buses, students either wait outside or go to the cafeteria for breakfast. On cold mornings, Anita and Tommy might sit inside in the hall. This year the extreme weather conditions

Something Typical

Sometimes the day just doesn't go right. Ben's had a few of those days! Christy, Angel, and Latasha enjoy doing extra assignments. Norman and Sam are engrossed in a project of their own during break. At VHS during break, most students buy cokes and candy. Some, like John, Chris, and John M. enjoy

relaxing outside. In some classes, the students are asked to read aloud — Allen doesn't know it, but he just "volunteered to read. Kim and Ashley have no problems doing grammar worksheets as long as they can use their books. Back at VHS for the 2nd semester are Stacy Cole and Alethea Freeman. In the game of success, Annie and her friends are always winners!

Lunch time is nearly everyone's favorite time of the day (except for the teachers who are on duty), especially for Willis, Daniel, and Barry.

have topped the conversation lists. The teachers' first few days of school were cut short by the flooded road conditions.

Students enjoy their favorite classes. Danny, Jerry, and Kevin have a handle on those pots! Jody and Keith try to find the theme of the story in their books. Books are kept in lockers — a place a student can call his "own." Valerie hasn't been at VHS very long, but she already knows how to check out before noon.

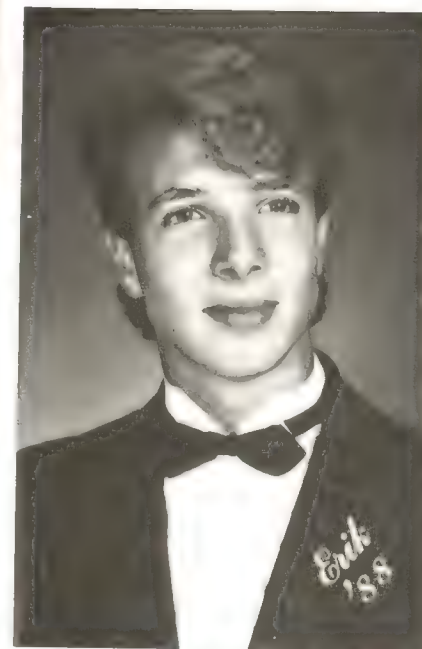

and Barry.

Shane and Brian keep track of how many minutes are left in class. Deborah and Ken "made-up" in drama class. When the bell rings at the end of 6th period, Nichole heads for the bus. Many students top off the day by going to play or watch a sporting event, others go home.

Something Special

Many things about Vancleave are special. First and foremost are the friendships formed here. These are groups as The Eggs, Inc.: Marcia Payton, Tish Harris, Theresa Simmons, and Diana Fairley. Three good friends who stick together through thick and thin are Stacy Wilson, Cindy Havens, and Shelly Wheatley. Even after Susanne McDaniel and Sandi Jenkins graduate, they will still be in touch.

Erik LaValle, son of Alana R. LaValle, earned the recognition of Star Student this year with a score of 30 on his ACT. He is Computer Club President, a Band officer, Mu Alpha Treasurer (past two years), and a member of Scholars Bowl and the National Honor Society. He also plays on the VHS Tennis Team. Erik was on the Student Council in his freshman and sophomore years. Other honors include attending Mississippi Governor's School, attending All State Honor Band, and being chosen Academic All-American. Erik plans to attend Mississippi State or Georgia Tech. and major in Industrial Engineering. His goal is to work with NASA in the space program or to own and

operate his own company.

Erik chose Mr. Robert Pursley as his Star Teacher. This is the third consecutive year that Mr. Pursley has been chosen as Star Teacher. Erik chose Mr. Pursley because he feels that Mr. Pursley has influenced him the most in his educational goals.

Special times are enjoyed by students and principals Mr. Brown as they dress him up in their style of clothes so he'll look like one of the students.

Special to Eddie Lockwood, Michael Hipp, and Robert Laughlin are their newly awarded football jackets with their number and a letter.

Special for the sophomores is getting their class rings, which symbolize their high school days and a pride in their school. Pride is shown in other ways, especially before playing East Central. Painting their faces blue and white are Greg Buchanan, Robert Marcy, Brian Davis, Lee Bond, and Sonny Mattingly.

Teachers have pride for their students' accomplishments. Mrs. Osley Assists Gwen Thrash with her reading. Proud parents attend special ceremonies, such as Amanda Wages, graduating from VMS last May. Finally, the Jr.-Sr. Prom is a special time, especially for Gina Torgerson and Randy Frierson.

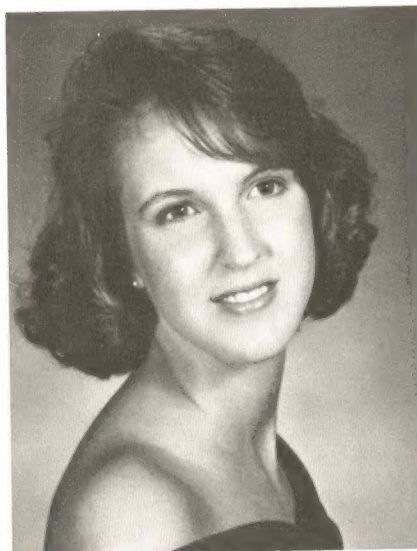

Spirit, pride and smiles have topped off this year at Vancleave. Spirits soared with the first winning football season in 5 years, and Bulldog pride surfaced again in Basketball season with the VHS Girls' and Boys's teams making it to South State play-offs. The Boys went on to qualify for the State tournament. In addition to sports, students smiled when the Scholars' Bowl team won awards, FFA brought home trophies, and the '87 annual won a MSPA award. Delegates went to Teen Connection, and I attended Presidential Classroom in Wash., D.C.

Topping the apparel scene were stone-washed and iced denims, mini-skirts, ripped jeans, and fancy, decorated sweatshirts. Accessories to top off the outfits were more popular than ever with big hair bows, scarves, and large watches, or wearing more than one.

Other tops for teens were rock groups U2, Bon Jovi, and Whitney Houston.

The top grossing movies were *Good Morning, Vietnam*, *Fatal At-*

traction, and *Dirty Dancing*. Beauty was a topic of state and national news as Moss Point's Toni Seawright was Miss Mississippi and 3rd runner-up in

the Miss America Pageant; and Miss Teen MS won the Miss Teen USA title.

Also nationwide, the country celebrated the 200th anniversary of the U.S. Constitution. Another cause for celebration was the rescue of little Jessica McClure from a well, after she was stuck in there for 2½ days. News on the unsettling side was Oliver North's trial and the Iran-Contra scandal. Then, on Oct. 19, the stock market fell 508.32 pts. (referred to as Black Monday). The presidential candidates' race was upset with the Gary Hart/Donna Rice "affair." Other public scandals involved TV evangelists Jim and Tammy Bakker and Jimmy Swaggart.

Topping the media in international sports was the Olympic Winter Games. Bonnie Blair won a Gold medal in speed skating. Blair soothed some of the anguish of the speed skating team over

Dan Jansen's heart-breaking performance earlier. With 2 chances for gold medals, Jansen fell both times. His sister had died earlier in the day of leukemia. Another gold medal was won by Brian Boitano in the men's figure skating. In the women's figure skating, Debi Thomas had a chance at the gold, but won the bronze. At the close, Jansen received the Spirit of the Olympics Award.

Reflecting on my years at Vancleave and all the good times that we shared together, I wished that they could continue, but we must go on with our lives. I have learned and shared a lot with staff members, and I will miss them after graduation. Having carried that little red sack filled with quadpacks, rough drafts, pictures, and a cropper for 3 years, it's time to throw the sack on the top shelf of the closet. These years have been tough, but we've topped them off with success. I would like to thank several people who have helped me through. First, I thank my sister Penny for being such a great influence and such a top class act to follow. I thank the annual staff of '87-'88 for being such a top-notch staff, and Mrs. Stietenroth for being so dedicated and being the best sponsor a staff could have. Finally, I thank my parents for sticking by me and topping it off by putting up with that little red sack for so long. Off the top,

Audrey Fountain

Colophon

The 1988 edition of the *Time 'n Tide* was printed by Taylor Publishing Co. in Dallas, Texas. The cover is Blue #491 with a silkscreen decoration of White #911. Variations of the cover artwork, including the Broadway type and the Harvard rule lines appear on the contents and division pages to help carry the theme throughout the book. The colonial rose endsheets blend with the cover to produce shades of black and pink color scheme that was so popular this year. The rose shade is picked up again in the eight pages of color used in the Senior section. Eight additional pages of color highlight the Opening and the Who's Who section. The pages are Enamel #80 paper with body type face in Melior standard.
